October 21, 1949

PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

## RECENT OPERATIONS

By Paul Rardin

Last week I wrote a little article in this column thanking those who helped to make dedication of the new airport a success. Inadvertently I left out the group who handled the car parking—the Legion boys. They did a splendid job and I certainly want them to have their fair share of credit for a job well done.

Deputy Sheriff Frank O'Connell turned in a piece of splendid work for his department Monday night when Bennie Sims' car was stolen in Canal Point. Two Miami youths decided they needed Bennie's car—so, they took it. The same youths were greatly surprised a few minutes later while turning around north of Canal Point when the law walked up and took over. The boys evidently thought they were far away from the law and order—especially radio controlled cars of the sheriff's department. Sitting in Palm Beach jail, awaiting trial, they may be thinking that the Everglades, after all, enjoys modern communications. (Radio, that is.) Deputy O'Connell said that Constable Francis W. Cross came to assist in the arrest after he had also been informed by radio.

## Dollar Beans Are First On Market

Vandegrift-Williams Farms of Pahokee picked 498 bushels of tendergreens Monday to start the ball rolling in the fall green bean deal for this area. The beans, which went through a lot of wet weather during the early part of their growing period, were of pretty good quality but the yield was light and the price low, the lot going to canners at a dollar a bushel.

Bean shipments from the Glades will be light for the remainder of this month but a large fall crop is coming on and 10 days of ideal growing weather has put it in tip-top condition. By the middle of November things should really be humming in the Glades bean deal. IF nothing happens to gum up the works.

## Anyhow The Juniors Can Play Foot Ball

Coach Leland Keene's Pahokee Junior High Imps revived the school's football hopes by smothering the Lake Worth Juniors, 53 to 6, on Lair Field Tuesday night.

Prospects looked sort of dark at the start of the game when the baby Trojans scored a touchdown shortly after the starting whistle but a little thing like that didn't dampen the spirits of the fighting Imps who, sparked by Fullback Bill Hatton and Quarterback Benny Sims, buckled down to work and soon had their players clicking with clocklike regularity.

The Imps scored 14 points in the first quarter, seven in the second, seven in the third, then ran wild to chalk up four touchdowns and 25 points in the final period.

## Rotes And Lions Of Pahokee In Meeting

Pahokee Lions were hosts to Pahokee Rotarians at a joint luncheon meeting of the two clubs held in the Woman's Club building Tuesday.

Manning I. Keen introduced the guest speaker, W. F. Fisher, who gave a talk on "The Progress of Petroleum," in which he traced the progress of the oil industry from the early days when "coal oil" was the important product up to the present gasoline age.

Elmer Upthegrove was received as a new member of the Lions Club.

## Bender To Remain With Fire Control

Chief Guy Bender of the Everglades Fire Control district will remain as chief of the district for the present, despite rumors to the contrary, according to a report from Tallahassee this week. The rumor that Chief Bender was slated to go and that the offices would be moved to Davie, was rife in Belle Glade and the county early this week.

Notice is that the chief of the district on attending his business, as he always does, of putting out much fire and preventing what is possible. The offices will remain in Belle Glade where they have been located for many years.

Chief Bender will be eligible for retirement under state law within seven months and the very thought of removal at this time is absurd.

An assistant, Tom Campbell, has been named for Mr. Bender, and has already taken his place in the Fire Control set-up. Mr. Campbell is a former tax collector of Palm Beach county and is well known in South Florida.

## Does Your Cook Have A Health Card?

When you hire a cook do you see to it that said cook brings along a health card? Did it ever cross your mind that said cook might have VD?

As a reminder that VD is prevalent in the Lake Okeechobee Region you might be interested to know that out of eight persons, who were seeking beer and wine licenses to serve the public in Belle Glade-colored quarters, five were infected with venereal disease. These five are in the treatment center at Melbourne now receiving treatment at the expense of the state.

In the Pahokee colored quarters the percentage was even higher—out of two applying for a beer and wine license the two were infected. The beverage commission asks the county health department to make these investigations before licenses are issued to persons serving the public. These recent findings may be of interest to persons who use help out of the quarters.

Mr. and Mrs. J. J. Chastain spent the weekend in Arcadia visiting their son-in-law and daughter, Mr. and Mrs. H. N. Sorrelle, and made acquaintance with their brand-new granddaughter.

## 'Perfect Record' At Stake Tonite With Dania Bulldogs

The South Broward Bulldogs will invade Lair Field tonight for a tussle with the Pahokee Blue Devils who have lost four games in succession and are really having a time getting started this season.

Coach Clyde Alley have been giving his men light practice this week in hopes that his men will have lots of vim and vigor to throw into tonight's fray.

Local fans are puzzled at the meek manner in which the Blue Devils took a 35 to 0 shellacking from the Seacrest Seahawks last Friday night. Alley's men played heads-up football for a minute or two at the start of each half, then seemed to slump into a "Who cares?" attitude that allowed the Hawks to swoop through the game to victory without even ruffling a feather. Credit should go to Stanley Hooks and two or three of the other players who showed fighting spirit and did most of the tackling.

The Blue Devils have a "perfect record" of four defeats in as many starts this season. That record will probably stand at the end of tonight's game.

The Bulldogs, though this year but this might be the game when the Devils discard green for their true blue color. Kickoff, 8:15.

## Lions Will Help The Garden Club Beautify W. P. B. Canal Bank

Five new members were received into Gardena Circle Four, Community Garden Club, at a meeting at the home of Mrs. J. S. Atkins Tuesday morning. They were Mrs. W. P. Pope, Mrs. H. B. Miller, Mrs. Mary Watson, Mrs. W. C. Young and Mrs. Earl Maxson.

Mrs. D. R. Hall, program chairman, introduced Mrs. A. R. Harrington, who gave a talk on "Annuals and Soil Preparation." A \$25 check presented to the circle by County Commissioner Paul Rardin was gratefully acknowledged. The Canal Point Lions in a letter to the circle offered their full cooperation in all projects of community improvement sponsored by the circle including the proposed beautification of the banks of the West Palm Beach Canal within the township.

The Sixth District meeting in Clewiston on Nov. 17 was announced. Mrs. Anderson Chastain was in charge of the plant exchange and Mrs. Albert Fremd, plant identification. Mrs. C. G. Coburn, chairman, presided and Mrs. J. H. Bordeaux, co-hostess, assisted Mrs. Atkins with the serving of refreshments.

## Ready Offices For New Physician

Carpenters are busy this week finishing offices in the Miller Building in Pahokee for Dr. E. C. Johnson of Savannah, who will move in around the first of next month. The new doctor is a young married man with two children. They will live in a house in the Geiger subdivision.

## Hospital Repair Is Well Under Way

The work of repairing the wing of the new Pahokee Hospital building which was damaged in the Aug. 26 hurricane is progressing rapidly and is expected to be completed within two weeks, according to I. J. Frasure, Jr., hospital superintendent.

The repair work was held up several weeks until an agreement could be reached with the insurance companies as to the extent of damage caused by the storm. This delay has also set back the date of the dedication of the hospital which is yet to be set, Mr. Frasure said.

## Sugar Harvest To Start On Monday

Field forces of the United States Sugar Corporation will go to work on Monday morning, October 24, harvesting the sugar cane from the corporation's extensive plantations, weather permitting. The following day the sugar house here will begin operation if a sufficient supply of cane has been received in the yard.

This announcement was made yesterday by H. T. Vaughn, executive vice-president of the corporation, who said that despite the hurricane which did extensive damage the latter part of August that the corporation hoped to harvest more cane than it did last season.

"Like all farmers," Mr. Vaughn said, "we are hoping for breaks from the weather and a better tonnage and a higher sugar yield than was obtained last season."

The hurricane damage was estimated at fifteen per cent immediately following the big blow which swept over all of the corporation holdings and the acreage of contract cane growers.

Mr. Vaughn also stated that the corporation would grind more contract cane than ever before during the 1949-50 season. The price determination hearing held here in June has made a slight change in the amount that the contract grower will be paid for his cane by the sugar corporation as the processor, the corporation being allowed to pay slightly less for the cane than formerly. — Clewiston News.

## Will Make Drive For Children's Hospital

Beta Omicron Chapter of Beta Sigma Phi will sponsor a drive to collect funds for the South Florida Children's Hospital. This drive will begin Monday, October 24, and end Sunday, October 30.

This hospital is the one that Jack Bell has had so much about in his column. It is for all South Florida children. The citizens of Canal Point, Pahokee and Port Mayaca, are urged to contribute to this worthwhile cause when they are canvassed.

The loud speaker truck will be used through the courtesy of the Prince Theatre. There will also be a booth in the lobby of the theatre Sunday afternoon and night to give those who might be missed in the drive an opportunity to contribute.

## 10 Miles Road North Canal Point To Be Widened, Surfaced

Another piece of rough road is to get a working over according to plans of the State Road Department, County Commissioner Paul Rardin has been advised. The construction work will start on Road 15 north of Canal Point at the county line and run north for a distance of 10 miles to Chancey Bay.

Plans on this stretch of road call for widening it from 18 feet to 22 feet and then a new surface treatment. This ten mile stretch, when repaired will take in almost all of the roughest road between Canal Point and Okeechobee. Another stretch between the county line and the West Palm Beach canal in Canal Point needs reworking but this job cannot be done in this year's budget.

County and state officials are hopeful that plans can be completed in time to get the above 10-mile piece of road in the November letting.

## McCurdy Donates 1000 Lbs. Fertilizer For Hospital Lawn

W. W. McCurdy of the Insecticide Sales Company in Pahokee has offered 1000 pounds of fertilizer to the City of Pahokee and Hospital Board to help in beautifying the lawn when the Hospital plot is beautified. Mayor T. C. Richardson has some sort of an offer from a landscaper concern in West Palm Beach whereby the plot will be beautified.

Work will start on the beautification program as soon as county trucks, under the direction of Commissioner Paul Rardin, finish hauling in the fill from the county rock pit. Rardin said that several days will be necessary to haul in the fill since the plot on which the hospital is located is rather low. Muck is being hauled for the fill and Rardin said that, muck would also be hauled for the driveway.

## Ladies Night Plans Made By C. P. Lions

Plans for a ladies night program were made by members of the Canal Point Lions Club at the regular dinner meeting Monday night. The program, arranged especially for the entertainment of wives of members, will be held in the high school auditorium on the night of Nov. 21.

Boyd Vorhees, program chairman, introduced Rev. E. Elmo Scoggin, pastor of the Canal Point Missionary Baptist Church, who spoke on "Assignment to Palestine." The Rev. and Mrs. Scoggin were recently named missionaries to Palestine by the Foreign Mission Board of the Southern Baptist Convention in Richmond, Va. The appointment was one of 14 made by the board for lifetime missionary service overseas.

Mr. and Mrs. W. W. McCurdy have as guests this week their daughter, Mrs. W. K. Aldridge, and son, Keith, of Gainesville.

## TO LATE TO CLASSIFY

BY RUSSELL KAY

SECRETARY OF THE FLORIDA PRESS ASSOCIATION

According to dispatches from Tallahassee the state, through its Advertising Commission, will direct appeals to three different types of prospects—Tourists, Industrialists and Agriculturists.

Three different Florida advertising agencies have been engaged to prepare advertising which will be placed in northern newspapers and magazines.

The August Dorr Advertising Agency of Miami will have charge of all tourist advertising; The August Burghard Agency of Ft. Lauderdale will be responsible for all agricultural advertising while the Henry Quedneau Agency Tampa will confine its efforts to attracting industries to Florida.

The \$325,000 budget was divided as follows: \$172,000 for the tourist promotion campaign and \$36,000 each for the agricultural and industrial effort.

While the agencies retained are reputable and able, funds available are pitifully small for the job. Fortunately, interest in Florida is so keen and so general that even the most modest campaign if intelligently handled can be made to produce maximum results.

Countless thousands of folks are eager and anxious to locate in Florida. It is not necessary to sell them on the advantages of attending living in this favored state.

I'm speaking of the vast army of little people, folks with modest resources and limited means who would make excellent citizens if they could establish themselves somewhere in the state, engage in business or secure employment.

I doubt if there ever was a time in the history of the state when so many people were seeking worthwhile business opportunities. Hardly a day passes that I do not hear of someone who is seeking either a job or chance to go in business in Florida.

Sometimes it is a man who has sold his business in the north, has a few thousand dollars to invest and wants to locate some small business or enterprise that will permit him to make enough to live on. These are the kind of folks that built our communities and our state. They are capable of becoming solid citizens and good Floridians. Now and then it is possible for me to put such enquirers in touch with an opportunity or help the mind a job but unfortunately my contacts are more or less limited and, while I know that many exist throughout the state, since I do not know of them personally I cannot be helpful.

If there were some way we could make an intelligent survey of small business opportunities that exist in our various communities, large and small or of chances for employment of a permanent nature, it would go a long way toward bringing thousands to the state as permanent residents and result in the investment of millions of dollars in small businesses that properly conducted would grow and prosper.

Perhaps your town offers a number of such opportunities. What does your town lack—a shoe store, good restaurant, gift shop, lumber yard? What small business already established are for sale? What are the potential possibilities of such small enterprises, can they be depended upon to provide someone a comfortable living if properly conducted. Will the community support them?

A good project for your Jaycees, Exchange Club, Rotary or other civic group would be to conduct an intelligent unbiased survey to determine just what your community has to offer the homeseeker and small investor. Gather this information and make it available through your Chamber of Commerce and you can supplement the work of your State Advertising Commission and cash in on the inquiries the advertising produces.

You might also conduct a survey to determine what type of employment is available in your town and area. Can you see another electrician, bricklayer, carpenter, watch repairman, school teacher, doctor or lawyer? Hundreds of fine able upstanding men and women are seeking Florida opportunities today. They would make fine citizens and if you will extend your cooperation by providing helpful information an encouragement you will have no trouble attracting them.

Mr. and Mrs. Inman W. Weeks and son, Murray, are visiting Mrs. Weeks' mother, Mrs. R. A. Mole, in Lulu, Fla., this weekend. They were accompanied by J. T. Guerry.

R. J. Schroder entered St. Mary's Hospital in West Palm Beach Wednesday for an operation. He was accompanied by Mrs. Schroder who will remain in West Palm Beach while he is a patient at St. Mary's.

H. L. Speer, assistant county agriculture agent, is attending a State Agents convention and school in Gainesville this week.

## Women Lead—6 to 2

Mr. and Mrs. Emmet P. Holt of Pahokee announce the birth of a daughter, Mary McKay, at the Pahokee Hospital, Oct. 18.

Mr. and Mrs. Gil Galbaldon of Pahokee announce the birth of a daughter at the Pahokee Hospital, Oct. 18.

Mr. and Mrs. Ernest E. Boyette, Jr., of Canal Point announce the birth of a daughter, Joyce Irene, at the Pahokee Hospital, Oct. 16.

Mr. and Mrs. Joe T. Sullivan of Pahokee announce the birth of a daughter, Sonnie, at the Pahokee Hospital, Oct. 16.

Mr. and Mrs. H. N. Sorrells of Arcadia announce the birth of a daughter at the Arcadia Hospital, Oct. 12. Mrs. Sorrells is the daughter of Mr. and Mrs. J. J. Chastain of Pahokee.

Mr. and Mrs. J. W. Odum of Pahokee announce the birth of a daughter, Claudia Jean, at the Pahokee Hospital, Oct. 8.

Mr. and Mrs. E. O. Miller of Pahokee announce the birth of a son, Ernest Anthony, at the Pahokee Hospital, Oct. 8.

Mr. and Mrs. Edward Boswell of Pahokee announce the birth of a son, Wayne Allen, at the Pahokee Hospital, Oct. 9.

## Below Cost Selling Hit By City Market

Jack Chastain, owner and operator of the City Market in Pahokee makes the following statement straight from the shoulder: "Don't be penny wise and pound foolish. We don't claim to be matching pennies with every store in town and don't intend to do so. It is impossible to meet every below-cost item that is offered by Tom, Dick and Harry."

"Consistently we sell as low as, or lower than, any store or market in Pahokee."

"We know when to buy, where to buy, and what to pay."

"Because we know our business, you eat better at lower cost. We are not investigators of other people's business but try to see that you get your money's worth."

"Here at City Market we make an earnest effort to secure only the very highest grade of vegetables, fresh meats and various other items that go to make a well-stocked pantry shelf. We never spare pain or effort in bringing to you the very best and finest produce that the market affords."

"We don't sell you a known item below cost and then attempt to sell you some unknown item at a high profit to make up for our loss."

"We sell merchandise at honest prices. We invite you to visit the City Market where prices are consistently lower. Make your shopping a pleasure by trade and saving at Chastain's City Market in Pahokee."

## DuBose Talks To Poinsettia Circle

W. M. DuBose, Pahokee flower grower, was guest speaker at a meeting of Poinsettia Circle Three, Community Garden Club, held at the home of the chairman, Mrs. C. A. Kolstad, Tuesday afternoon. The subject of his talk was "Soil preparation for Annuals."

Several original and attractive flower arrangements were displayed at the meeting by Mrs. Jess M. Elliott, Mrs. J. G. Baker and Mrs. Lewis Friend were welcomed as new members. Mrs. Olaf Boe was in charge of the plant exchange among members. The point system of rating the activities of members was explained to the group by Mrs. Elliott.

A meeting of the Sixth District to be held in Clewiston on Nov. 17 was announced. Mrs. Kolstad presided and acted as hostess during the serving of refreshments.

John E. Cochran, Sr., is a patient at the Pahokee Hospital this week.

## Birthday Surprise Party For Mrs. Levins

Mr. and Mrs. I. S. Guthrie entertained at their home Saturday evening with a surprise dinner party honoring their daughter, Mrs. Olive Levins, on her birthday anniversary. Mrs. Guthrie was assisted in the preparation of the dinner by her granddaughter, Mrs. C. R. Wetherington, Jr.

Others attending were Mr. and Mrs. Leon Guthrie and daughters, Carol Jo and Eva Gail, Mr. and Mrs. J. W. Guthrie and children, Sammy and Margo, Mr. and Mrs. B. W. Wood, Dr. and Mrs. D. S. Spooner, Mr. and Mrs. J. B. Crosby, Mr. and Mrs. George Ramey and daughter, Phoebe Ann, Mr. and Mrs. Norwood Guthrie, Mr. and Mrs. William Guthrie and children, Donna Lee and Mickey, Mrs. Sadie Barwick, Reppard Cowart, Miss Opal Levins, Jimmy Merrill, C. R. Wetherington, Jr., and Marcia Jean Guthrie.

## Ladies Night Nov. 21 For Canal Point Lions

Monday Night, November 21, has been officially set as Ladies Night for the Canal Point Lions Club, it was announced recently by the Lions Club. Plans call for holding the annual Ladies affair in the school auditorium.

The entertainment committee promises an outstanding program for this particular night and wives of the local Lions are looking forward to the big occasion.

## News Notes From State Capital

**TALLAHASSEE**—Recent legislative visitors here have speculated on the strong probability of the Florida legislature being called back into session next year, to cure a possible fatal defect in the new citrus "taste test" code, to replenish an empty treasury or to authorize new construction for overcrowded state institutions. Attacks by canners and fresh fruit shippers on the 1949 citrus code may result in vital parts of that law being thrown out. If so, the law will become worthless, and the great citrus industry thrown into further confusion. If the new sales tax, because of its many exemptions, yields much less than the expected \$40,000,000 per biennium, the gen-

eral fund of the state which supports schools, pensions and government, may run dry by next summer. And finally, if Florida continues to grow, a crisis may develop in her institutions making it necessary to have more buildings. Any one of these three may dictate the return of the legislature before their scheduled time in April, 1951.

**TALLAHASSEE**—Police officers cannot "pick up" driver's licenses from those accused of violating the laws, according to Attorney General Richard W. Ervin. City police, sheriffs and state patrolmen can demand that such licenses be produced, and can take them if the person is arrested and held in custody. However, when he is released on bail, the license must be returned, said the attorney general. Some police have been commandeering driver's licenses, in lieu of bail, he noted, which they cannot legally do. In another opinion, the attorney general ruled that cities may establish parking meters on the sidewalks bordering state or federal highways, inside the city limits, without getting the permission of the state road department.

**TALLAHASSEE**—The state beverage director warned Florida cities they must pass ordinances levying five-cent a pack cigarette taxes if they are to share in their distribution after November 1. Under the new law of the special session, the state will return to each city so qualifying that part of the tax collected within its borders. Attorney General Ervin warned also that cities must prepare to reduce their ad valorem (property) tax by an amount equal to fifty per cent of whatever cigarette tax money they receive. They can use cigarette tax money to pay off debts, he suggested but this money must be budgeted and be reflected in tax reductions.

**TALLAHASSEE**—A law "with teeth in it" to prevent the selling of babies is planned by State Senator John E. Matthews of Jacksonville. Commenting here on the recent disclosure of black market baby dealing, the Jacksonville senator said he has conferred with Emmet Safey, chairman of the state welfare board, and with Sherwood Smith, its director, and both agree the law is needed.

**TALLAHASSEE**—Advertising of the state will feature tourist appeal first, according to the annual budget of the state advertising commission. John Montgomery, vice chairman of the commission, said \$232,000 of the \$442,000 budget will be used to lure tourists. The commission decided to spend \$30,000 each on ad programs for new industry and for agriculture. Three separate agencies will handle the accounts.

**TALLAHASSEE**—Governor Warren in a statement just released praised the new citrus code and declared "No green fruit is moving to market today because the new quality program prevents it." He said the new quality citrus law enacted by the 1949 legislature gave the industry virtual assurance that the high prices it obtained late last season after freezes in California and Texas would prevail at the beginning of the new season.

**TALLAHASSEE**—Teaching junior to drive an automobile is now a function of the public schools, and State School Superintendent Thomas D. Bailey said almost 5,000 got instruction last year. Actual behind-the-wheel instruction went to 2,836, he said, and the others got classroom instruction. At that, only 7.2 per cent of those attending high school took the course. Principal barrier to more driving students is lack of equipment and shortage of teachers. He recommends that only students take this course who are eligible for a regular driver's license, or those about the tenth grade.

## Cinematic Chatter

By Malcolm Miller

"South of St. Louis", which is to be filmed at the Prince Theatre, this Sunday-Monday, in beautiful technicolor, is a vivid panarramic tale of the lawless west in the period of the War Between the States. It has as its stars Joel McCrea, Alexis Smith, Zachary Scott and Dorothy Malone, and a huge cast of players headed by Alan Hale and Douglas Kenney lend roaring support.

McCrea plays Kip Davis whose purpose in this lusty tale is to restore the ranching land burned and pillaged by guerillas in the Union hire. Miss Smith departs from her usual role to play a flamboyant entertainer, Zach Scott plays a cowboy, not a new role for him, as he hails from Texas and spent many of his younger years on a ranch and Miss Malone, completing the roster of stars is cast as Deborah, who is loved by McCrea but who loves another.

The action is fast paced and the many outdoor scenes shot during the takes in the show dry ones throat they are so vivid.

I am quite sure you will enjoy every frame of this picture . . . if you love adventure.

See you at the movies—Mal.

## Mrs. Joe Sowder Buys Cafe In Pahokee

Mrs. Joe G. Sowder recently purchased the R&F Cafe from Mr. and Mrs. J. G. Fisher and is now operating the popular eating establishment. Mrs. Sowder plans to continue serving excellent meals like those served in the past by her predecessors. She invites her many friends to visit the cafe.

Mr. and Mrs. Homer J. Clause and grandson, Jack Stanley, are visitors in St. Petersburg this weekend.

Mr. and Mrs. George Ramey will have as guests this weekend the Rev. and Mrs. J. E. Statham of Lake City.

**Cooler Weather Is Ideal For Traveling Via Greyhound Lines**

"The mellow fall season, with its colorful foliage and cooler, zestful weather, is practically perfect for all kinds of pleasure trips," said Mr. T. B. O'Steen, Traffic Manager of Florida Greyhound Lines. At a recent meeting of Greyhound ticket agents, Mr. O'Steen also pointed out that more and more people are becoming aware of the wide variety of trips that are especially enjoyable in the fall months.

"People have done so much of their traveling for so long in the summer months that they have completely missed the many distinct advantages of travel during the colorful fall season," Mr. O'Steen said today. He added that when people were once made aware of the increased pleasure of such things as cooler weather for traveling, a much wider choice of hotel and resort accommodations, plus the more colorful scenic beauty in the fall, they would discover the autumn months to be a particularly enticing travel season.

Mr. O'Steen also emphasized that people have not yet realized the many varied places to go and exciting things to do in the fall—seeing a big-time football game, going back home to visit the old folks, going on a hunting or fishing trip, taking the family to a fair, having a gay time in the big city—or even taking a second honeymoon trip.

Mr. O'Steen then went on to say that this fall Greyhound has made special plans to provide maximum of service to take care of the expected increase in fall travel. "In this respect," Mr. O'Steen stated, "Greyhound is extending many of its Expense-Paid Tours into the months of October, November, and December. Charter buses are being

made available for group trips to the big games, for camera club excursions and other group activities." Emphasis was placed on the fact that Greyhound is gearing its entire nationwide facilities in every way to serve travelers who prefer fall for the most travel enjoyment. "The fact is," Mr. O'Steen concluded, "that within the entire nationwide Greyhound organization, we are making a major effort to promote the idea that fall is indeed the ideal Take-A-Trip Time."

**Elsie Stamps Has Birthday Party**

Mrs. W. O. Stamps entertained Monday night with a party honoring her daughter, Elsie, on her birthday anniversary. The hostess was assisted in the entertaining by her mother, Mrs. A. J. Culberson, her sister, Mrs. Rosa Curlee, and her aunt, Mrs. W. M. Batchelor.

Refreshments were served to the following guests: Leonne Gamot, Billie Strickland, Carolyn Chaney, Hazel Chaney, Arlene Rainier, Barbara Jean Miller, Daisy Nell Miller, Mary Ellen Mahony, Charlene Stuckey, Jewel Brady, Frank Brady, Ina Russom, Buford Justice, Billy Reynolds, Elizabeth Claridy, Arlene Batchelor, Melba Curlee, Virginia and Jimmie Stamps, Mr. and Mrs. Chares Stamps and Mr. and Mrs. Roy Stamps.

Mrs. Roe Reeves of High Springs is the house guest of her daughter, Mrs. Maribelle Rawls, in Pahokee.

**Hibiscus Circle Has Meeting On Tuesday**

Mrs. R. J. Chastain was welcomed as a new member of Hibiscus Circle Four, Community Garden Club, at a meeting at the home of Mrs. C. T. Jackson Tuesday morning.

Mrs. L. W. Armstrong announced a gift of \$25 to the circle from County Commissioner Paul Rardin who was given a standing vote of thanks by members present.

Mrs. J. S. Chastain was appointed to assist Mrs. George Mead on the constitution and by-laws committee. Mrs. Mead outlined circle plans for beautifying the Pahokee city hall grounds and asked members to be present at the next city council meeting at which time the plans will be presented for approval by city officials.

It was announced that a Sixth District meeting will be held in Clewiston on Nov. 17 with Mrs. Marjorie Smith, district supervisor, in charge. This meeting will include a luncheon followed by a sight-seeing trip through the USSC sugar mill. Members planning to attend were asked to contact Mrs. Armstrong for reservations.

A talk on "Soil Preparation for Annuals" was given by Mrs. Mead. Mrs. H. J. Clause was in charge of the plant exchange among members and Mrs. J. S. Chastain, plant identification. A display of a large variety of hibiscus flowers was exhibited at the meeting by Hughes

**Ridenour.**

Mrs. Paul Watson, Mrs. J. S. Chastain and Mrs. H. L. Speer were named as hostesses for the November meeting.

**Banquet Planned For District Council**

M. I. Keen of Pahokee, Chairman of the North Glades District, announced today that the Annual Meeting of the Gulf Stream Council, Boy Scouts of America, has been set for next Thursday evening, October 27th at St. Ann's School in West Palm Beach.

A big feature of the Annual Meeting will be the training sessions beginning at 5:00 p. m. for Cub Scout leaders, Boy Scout leaders, Explorer leaders, and executive board members and district committeemen. Mr. Keen pointed out that special group sessions have been provided to fit the needs of all adult leaders in Scouting.

The banquet will be served promptly at 7:00 p. m. with informative and recognition sections as a part of the program. Mr. Keen said seating for the banquet is limited to 175 and suggested that tickets be obtained early; tickets are available either from him or the Boy Scout headquarters.

Ralph Johnson, Jack Spencer and the Rev. and Mrs. Ralph W. Todd attended a Methodist district meeting at the Community Church in Belle Glade Tuesday night.

## Mary Martha Circle Met On Monday

Mrs. Clyde Alley and Mrs. L. J. Davis were hostesses to members of the Mary Martha Circle, First Methodist WSCS, at a circle meeting at Mrs. Alley's home Monday night.

Mrs. J. T. Boynton presented a program on "Our Children Ask About God." Talks on the subject were given by Mrs. Carmen Salvatore, Jr., Mrs. D. W. Cunningham and Mrs. R. L. Brooks.

Mrs. Boynton was named chairman of a special flower committee in charge of floral decorations at the church the third Sunday in November. Others appointed on the flower committee for November were Mrs. C. C. Cruthird and Mrs. Ina Mae Maxwell, first Sunday; Mrs. Lewis Friend and Mrs. D. W. Cunningham, second Sunday; and Mrs. George Ramey and Mrs. Lloyd Hundley, fourth Sunday.

Announcements at the meeting included the WSCS subdistrict meeting to be held in Canal Point, Nov. 10, the homecoming at the First Methodist Church on Oct. 23 and the week of prayer observance on Tuesday, Oct. 25, at 4 p. m.

Mrs. Arch Blakey announced the fall mission study of the text, "Japan Begins Again," will start at a meeting Nov. 14, at 8 p. m. Mrs. Maxwell volunteered to assist with the mission study.

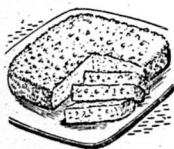

## Children In The Home Is Circle Topic

Mrs. Al Beverly presented a program on "Children in the Home" at a meeting of the Gertrude Shirley Circle, First Methodist WSCS, at the home of Mrs. Jess M. Elliott Monday night with Mrs. I. M. Lair assisting as co-hostess. She was assisted by Mrs. Jack Spencer and Mr. J. V. Thomas.

Mrs. E. F. McIlwain, circle chairman, who presided, announced that Dean Kindy is making arrangements for a rummage sale for the benefit of the Pahokee white labor center and asked members to cooperate by donating used clothing in good condition.

Mrs. Leon Spooner and Mrs. Jack Spencer were named hostesses for the WSCS December meeting. Mrs. Max Beverly, Mrs. I. M. Lair, Mrs. M. I. Keen and Mrs. L. J. Fraser were appointed on the greeting committee for December. Mrs. Juanita Cowart, Mrs. Arch Blakey, Mrs. J. W. Cruthirds and Mrs. C. A. Canipe were visitors.

Mrs. Esther McAlpine and son, William Edward, of Sanford are spending two weeks in Pahokee visiting her aunts, Mrs. J. V. Thomas and Mrs. L. J. Fraser and families.

## Christian Science Society

### CHURCH OF CHRIST, SCIENTIST

"PROBATION AFTER DEATH" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, October 23.

The Golden Text is: "He that shall endure unto the end, the same shall be saved" (Matt. 24:13).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Keep thy heart with all diligence; for out of it are the issues of life. Ponder the path of thy feet, and let all thy ways be established. Turn not to the right hand nor to the left: remove thy foot from evil" (Prov. 4:23, 26, 27).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Be watchful, sober, and vigilant. The way is straight and narrow, which leads to the understanding that God is the only life. It is a warfare with the flesh, in which we must conquer sin, sickness, and death, either here or hereafter, certainly before we can reach the goal of Spirit, or life in God" (324:13).

## Elks Are Invited To Attend 'Round-Up'

Thursday, October 27, has been set by Pahokee Elks Lodge officials as "Old Elks Round-Up" Night. No special program is planned for the occasion, but, it is hoped that members who have not been attending regularly, will put in an appearance that night just to renew acquaintances.

Terry Sellers, Luke Fraser and Osceola Upthegrove are members of the committee making an effort to get out a good attendance for that night. They say that an excellent feed is being prepared.

### RESOLUTION

Whereas, the all-wise and merciful Master of the Universe, has in His infinite wisdom, removed from among us our beloved friend and member, Hulet Gist Denton

Whereas, she having been a true and esteemed friend, a faithful member, and a cooperative and efficient worker at all times, in testimony of our loss be it Resolved—  
That for the purity of her life, the uprightness and sweetness of her character, the resourcefulness and ingenuity of her motherhood, the faithfulness and companionship of her widowhood, the kindness, generosity and helpfulness in her dealings with others, we hold in loving remembrance as an example worthy of our emulation.

Resolved—  
That we mourn for her as a friend and member, our sorrow being lessened by the knowledge of her full and well spent life, which presages her triumph over death.

Resolved—  
That we, the officers and members of the Pahokee Woman's Club extend our most heartfelt sympathy to the immediate relatives and friends in their great sorrow over the departure of a life so useful, and commend them to Him who doth all things well.

Resolved—  
That these resolutions be placed on the records of our club, and a copy presented to the bereaved family.

Pahokee Woman's Club  
Mrs. Frank Rozelle.

Miss Clarice Nason, daughter of Mrs. Frank Friend of Pahokee, has been chosen as a pledge to the Chi Omega Sorority at The University of Florida, Gainesville, and was elected treasurer of the sorority's group of pledges. Miss Nason is a member of the freshman class at the university.

## "Ixoria Circle," Is New Name For Group

Members of Circle Three, Community Garden Club, at a meeting at the home of Mrs. Joseph Kahn Tuesday afternoon voted to give their group the official name of Ixoria Circle.

On the program, which was under the direction of Mrs. Leon Maxwell and Mrs. Thomas Elliott, a talk on "Soil Preparation" was given by Mrs. A. E. Morgan and Mrs. Ina Mae Maxwell explained the correct grouping and color combinations of annuals. Mrs. C. M. Todd gave a short lecture on plant identification and Mrs. M. H. Miller read Edgar Guest's poem, "Gardening."

Members planning to attend the Six District meeting in Clewiston on Nov. 17 were asked to contact Mrs. Leo Maxwell for reservations. Mrs. Albert Snyder was welcomed as a new member. Potted plants were exchanged among those present at the meeting. Mrs. Arch Blakey, chairman, presided.

It was announced that Mrs. T. S. Kirk, Mrs. A. E. Morgan and Mrs. Paul Riddle will be hostesses at the November meeting.

## POTTER ON LEAVE

A. Q. (Potter) Howell, Jr., waretender 2-c, spent the past week visiting his parents, Mr. and Mrs. A. Q. Howell, Sr., in Canal Point while on a brief leave from the Navy. His mother and sister, Mrs. Thomas Lynn, nad Mrs. Lynn's daughter accompanied him to Key West where he reported for duty Wednesday on his ship, the USS Sperry.

Ernest C. Johnson, M. D., plans to open an office for the practice of general medicine in the Miller building in Pahokee around the first of November. Dr. Johnson is from Savannah, Ga., and will move his family to Pahokee where they will reside in one of the new houses in Geiger's subdivision.

Robert Usher and J. T. Guerrey have returned home from San Diego, Calif., where they have been stationed at the U. S. Navy Air Base.

## Cities Must Pass Cigarette Tax

TALLAHASSEE—Florida citrus cities were reminded Tuesday they must pass ordinances levying a five cents a package cigaret tax by Nov. 1 to receive a rebate from the state levy.

State Beverage Director Lewis M. Schott said certified copies of such tax ordinances must be filed with his department before any municipality will receive credit for Cigaret tax collections made within its borders.

So far, only Hollywood, Quincy, Tarpon Springs and Sneads have filed copies of their ordinances.

Under the new cigaret tax law enacted during the recent special session, all present city cigaret taxes are abolished and a uniform statewide 5 cents a package tax is levied.

The new law also provides that cities must reduce their property tax millages by at least 50 per cent of the extra amount they receive from the cigaret levy.

All cigaret taxes will be collected by the state beverage department. Distributors must provide the state agency with the number of packages sold in each city.

Attorney General Richard Evers in an opinion handed down Tuesday said municipalities could not budget their cigaret tax revenue separately and use it entirely for municipal improvements when their regular budgets are set by court order to provide funds for paying debt judgments.

## Hair Stylists Will Show Their Wares

TAMPA—The upsweeps, down-dips and curlcues of milady's hair-da as you saw it on the street today is as nothing compared with what will be shown here in Tampa, October 26.

On the day, the Florida Hair-dressers and Cosmetologists Association will close its annual convention and beauty trade exposition with an exhibition of hair-doging by the experts for the professionals.

Every exotic, elaborate, subtle and clever trick the members of the Fashion Guild of the Association have been able to dream up through the past several months will be put on exhibition, according to Selma Bosley of (227 N. E. Fourth Street) Miami, president of the Association, who also said the exhibition will combine coiffures and fashions in one elaborate show.

For the benefit of those who might be a little slow on the up-sweep after seeing the experts, three instructors, Helen Templeman, Robert Fiance and Jeannet Johnson—all famous hair stylists—will be on hand to supply the answers and give assistance.

Paula Dube of Mid Island, Bradenton Beach, chairman of the convention committee, said, some 1500 Florida hair dressers and beauty operators are expected to attend the four-day convention which opens Sunday, October 23, at the Tampa Terrace Hotel.

It won't be long now before Good Old Santa Claus will arrive by plane in 4,598 towns and cities at the same time.

When the ballot was given to every adult, the stage was set for the gradual development of socialism, so-called.

No matter how long it may be devalued, there are those who like to possess currency.

The way to get business is to get out and get it; not sit down and wait for it to come in.

It's lucky Russia didn't attack us during the World Series when we wouldn't have had any time for war.

Mrs. W. H. Vann has returned to her home in Canal Point from her summer home in Hendersonville, N. C.

## PROSIT IN BAVARIA

The United States Navy has a way of turning up in the least expected places. Here on leave at Garmisch in the Bavarian Alps, site of the 1936 winter Olympics and in pre-war days one of the most exclusive resorts in Europe, is an American sailor with two Bavarian friends performing an ancient ritual on a mountain top.

(Official U.S. Navy Photograph)

## Newsmen To Gather In Naples On The Gulf

TAMPA—Officers and directors of the Florida Press Association, a statewide organization of weekly and daily newspapers, met here last week to map plans for their 70th annual convention which will be held at Naples on Nov. 11, 12, 13. The meeting was called by president Louie Wadsworth, publisher of the Suwannee Democrat at Live Oak. The meeting was held in the offices of Russell Kay, secretary of the association.

It was explained that the meeting will be in the form of a clinic to discuss general business problems pertaining to small dailies and weeklies. Stuart Rabb, publisher of the Collier County News, outlined the program. It will open on Friday evening with a get-together party. Starting at 9:30 a. m. Saturday, November 12, a business session will be held lasting until noon. The visitors are then invited to witness a swamp buggy parade, which will be staged before the luncheon.

The afternoon will be devoted to a tour of Collier County. The annual banquet is slated for the evening. On November 13, reports of committees and the various officers will be heard. Following this the annual election of officers will be held and section of the next meeting pace.

Mr. and Mrs. J. G. Thomas, Jr., have as their house guests for the season his parents of New Orleans, La.

Members of the Pahokee Chapter 184, Order of Eastern Star, who attended the OES meeting Fort Pierce Monday night, honoring Mrs. Florence Carter, worthy grand matron, included Mr. and Mrs. H. M. Miller, Mr. and Mrs. D. W. Young, Mrs. Jessie Barnes, Mrs. Ellsworth Keen, Mrs. Dennis L. Friend and Mrs. Edna Barrett.

Mr. and Mrs. Paul Alston of Orlando were guests Tuesday of Mr. and Mrs. G. L. Sims in Canal Point. Mr. Alston is a brother of Mrs. Sims.

Mrs. E. G. Kilpatrick, a son Bob, daughter, Mrs. Esther McAlpine, of Sanford, were week end guests of Mr. and Mrs. J. V. Thomas and Mr. and Mrs. L. J. Fraser. Mrs. McAlpine remained for a longer visit.

Mrs. Ned Kocher is improving at St. Mary's hospital in West Palm Beach following an attack of double pneumonia.

Rev. Oliver Hatfield, former Canal Point Methodist pastor and now located at Sebastian, was a visitor in Canal Point Wednesday.

The Canal Point 4-H Club girls met Wednesday with Mrs. C. L. Stuart as leader. They spent the study hour on sewing. Next week they will take up study of gardening as their project.

## Horticultural Group Will Meet In Tampa

TAMPA—Final preparations are being made for the annual convention of the Florida State Horticultural Society to be held here Nov. 1, 2 and 3. Committee meetings have been held at which space assignments were worked out for the various section meetings.

Officers of the society are as follows: President, Frank Stirling, Davis; Vice-Presidents — Citrus section, Leo H. Wilson, Bradenton; Vegetable section, George Cooper, Princeton; Krome Memorial Institute, S. J. Lynch, Miami; Ornamental section, N. A. Reasoner, Bradenton; Processing section, Dr. M. K. Veldhuis; Secretary-treasurer, Dr. Ralph L. Miller, Plymouth; Assistant Secretaries, Ralph H. Thompson, Winter Haven; J. Frances Cooper and Dr. F. S. Jamison, Gainesville; Executive Committee—Dr. J. R. Beckenbach, Bradenton; H. A. Thulberry, Lake Wales; Frank L. Holland, Winter Haven; R. S. Edsall, Wabasso and J. K. Spartman, Tampa.

Outstanding speakers will address the general sessions and the special section meetings. Dr. J. Hillis Miller, president, University of Florida, will address the opening meeting, Tuesday evening, November 1.

Practical Aspects of Nematode Control with Chemicals will be the subject of an address before the Vegetable Section by J. R. Christie, nematologist, of the Division of Nematology, USDA. J. M. Walter and E. G. Kelsheimer, Vegetable Crops Laboratory, University of Florida, Bradenton, will discuss "In-the-row Application of Soil Fungicides for Vegetable on Sandy Soils." Philip J. Westgate, Shell Chemical Corporation, Orlando, will discuss "Returns from Soil Fumigation." John W. Randolph, Everglades Experiment Station, Belle Glade, will discuss "What's New in Crop Machinery and What More Do We Need?"

Alden M. Durr, general manager of Florida Citrus Mutual, Lakeland, will discuss "Florida Citrus Mutual," at the Citrus Section meeting on Wednesday morning, Nov. 2. Dr. R. F. Suit, Plant Pathologist, Citrus Experiment Station, Lake Alfred, will present a "Progress Report on Citrus Decline."

Frozen concentrated orange juice will be stressed at the meetings of the Processing Section. James B. Redd and Boris Sokoloff, Florida Southern College, Lakeland, will discuss "Vitamin P. Content of Frozen Orange Concentrate." A. H. Rouse, Citrus Experiment Station, Lake Alfred, will speak on "Gel Formation in Frozen Citrus Concentrate Stored at 32 degrees F. and 40 degrees F."

Election of officers for the various sections will also be on the program, which is expected to bring many out of the state authorities as well as those from all parts of Florida.

## Altar Society Group To Attend Council

Members of St. Mary's Altar Society at a meeting Tuesday night at the home of Mrs. F. M. Shaughnessy announced plans for attending a meeting of the Southeast District of the Diocesan Council of Catholic Women which is to be held at the Woman's Club building in West Palm Beach Thursday Oct. 27, from 9:45 a. m. to 3:30 p. m.

The meeting will include a luncheon at the George Washington Hotel and will be concluded with all present attending church services. Those from this area planning to attend include Mrs. Shaughnessy, Mrs. George Mead, Mrs. Jack Repper, Mrs. Cecil Hall, Mrs. John Burton, Mrs. C. L. Wilder, Mrs. A. L. Vertommen and Rev. W. J. O'Connell.

Mrs. Shaughnessy, president who presided, reported that the society netted \$48.89 from the baked foods sale which it sponsored on Oct. 1.

## RESPECTS TO A HERO

Two U. S. Navy men spend part of their time ashore in Caracas, Venezuela, to view one of the many statues in that city reared to national heroes and to pay their respects to the memory of the military leader represented in bronze above them.

(Official U.S. Navy Photograph)

## New Buildings For Tampa Fair Plant

Tampa—A modern Exposition Building, costing about \$85,000 for the proper handling and display of cattle, is the answer to Florida State Fair officials to Florida cattle interests, giving them the finest facilities available in the Southeast for staging cattle exhibits.

Plans call for a livestock building 240 feet by 200 feet when completed. The first two 80-foot units will be constructed this year and made ready for the 1950 Fair. Included in the plans will be a show ring arena 80 feet by 120 feet, the ring itself being 45 feet by 82 feet with a seating capacity in the arena of 823. The floor will be of stabilized earth. No concrete or asphalt will be used. Four foot tiealls and 24 foot centers will be used. Each tieall will be provided with water outlet for the convenience of herdsman, owners and breeders.

Under a new managerial setup for the fair, the committees were appointed by president Carl Brorein some months ago to work with general manager P. T. Streid- and executive secretary J. C. Huskisson, each committee having direct supervision and responsibility for a different department or activity.

The Livestock Committee is one of the most active of these groups and is headed by R. D. Jackson, with other members being Carl Fish, Charles Lykes, V. V. Sharpe, W. Howard Frankland and J. C. Huskisson, secretary.

Since the Fair has needed a new modern Exposition Building for some time for the proper handling and display of cattle, it was decided to construct a building this year, designed to give Florida the facilities desired by cattle interests.

Invitations were sent to representatives of the state's various livestock interests and a meeting was held here on Aug. 15, with 55 persons in attendance, including representatives of the State Department of Agriculture, State Marketing Bureau, State Livestock Sanitary Board, Experiment Station of the University of Florida, the Extension Division of the University and the Vocational Agricultural Department of the State and Federal governments, together with many of the state's leading cattlemen and representatives of the Florida Livestock Journal.

As a result of the many suggestions and ideas presented at this meeting the Livestock Committee of the Fair with the approval of the Finance and Building Committees have made plans to give the Florida State Fair the finest facilities for showing cattle to be found in the Southeast. Every facility for the proper housing and display of livestock and for the comfort and convenience of patrons has been taken into consideration in making the building plans.

There were wise men, in other ages, who wrote many books; have you read any?

## Fight Continues For Control Of FEC

ATLANTA—A fight for control of the Florida East Coast Railroad is in the hands of a Federal tribunal for a decision. The Florida duPont interests and the Atlantic Coast Line have been battling for control of the bankrupt FEC for years. Smaller interests have aligned themselves with the duPont group.

Last week's legal encounter came on the ACL's appeal of a Federal District Court ruling which rejected a plan under which the Coast Line and the FEC lines would be merged or consolidated. The plan was approved by the Interstate Commerce Commission.

Opponents of the merger, headed by the St. Joe Paper Company, a duPont under the ICC-approved plan would be unfair and inequitable to holders of \$45,000,000 in FEC refunding bonds. The Coast Line argued that the plan was a just and proper one.

Edward Bourne, special attorney for the Coast Line, declared in the U. S. Circuit Court of Appeals that the major opponents of the plan have no interest in whether the plan is fair to both the public and private owners. Bourne charged that Edward Ball, head of the duPont interests, is urging the duPont trust to build up his personal power in Florida.

Former Supreme Court Justice James F. Byrne, attorney for St. Joe Paper Company, asserted the proposal does not satisfy or adequately compensate FEC bondholders for their investments in the line.

## Installment Goods Subject To Sales Tax

TALLAHASSEE — Goods purchased on lay-away or installment payment plans since Sept. 30 probably will bear Florida's 3 per cent sales tax.

Comptroller C. M. Gay said his office has made a tentative ruling on such purchases, but has made no final decision. The comptroller was granted broad administrative powers in collecting the tax by the legislature.

Gay said the Sept. 30 deadline was set because that was the day the bill was signed into law by Gov. Warren.

He said the tentative ruling also would exempt materials for buildings and repairs which were contracted for before Sept. 30 but which have not been delivered.

Even on lay-away purchases made before Sept. 30, the tax will be payable if the purchaser has not made a payment of 15 percent before Nov. 1. Payments made before Nov. 1 would not be taxed, payments after that would be.

On installment purchases made since Sept. 30, with the goods delivered before Nov. 1, the tax will be applied to payments after Nov. 1—but not those before that date.

Gay said no definite decision has been made on whether purchases made this month on open charge accounts, not payable until after Nov. 1, will be taxable.

He said he hoped to have final rules and regulations completed next week.

An agenda is often, a device to prevent unexpected subjects from coming up for discussion.

Can anybody imagine grand-mother parading on the football field, like the majorettes?

Life would be less complicated if there were fewer persons on the fringe, to offer advice.

Any old excuse will suffer for not working but the best is the possession of plenty of cash.

A fakir is merely a smart talker who persuades you to believe what he says about himself.

Beware of the man who gives you advice, beginning like this: "I believe you can make money if—"

## Vegetable Men Name Glades Growers On Their Directorate

SARASOTA—The Florida Fruit and Vegetable Association completed its two-day annual convention here last week with the election of division and district directors. Officers will be elected by the board at a meeting for which a date has not yet been set.

Directors named are as follows: Beans Division—Roy Vandegrift, Pahokee; alternate, H. S. Cheshire, Pompano. Cabbage division—Fritz Stein, Belle Glade; alternate, B. C. Pearce, Palatka. Celery division—A. Duda, Jr., Oviedo; alternate, Fred R. Brown, Sarasota. Leaf division—John Tiedtke, Clewiston; alternate, Henry Thurston, Sanford. Potatoes division—J. A. Cox, Princeton; alternate, none. Tomato division—Dixon Pearce, Miami; alternate, J. P. Harlee, Jr., Palmetto. Canners division—Allen Markhem, Okeechobee; alternate, Logan Bloodworth, Ft. Pierce. Pepper, eggplant, cucumber, squash and corn division—G. E. Butler, Jr., Deerfield Beach; alternate, Lewis Friend, Pahokee. Tropical fruits and miscellaneous vegetables—L. L. Chandler, Goulds; alternate, J. R. Brooks, Homestead.

District directors elected were: District 2, Pompano area, Louis Fisher, Pompano; District 4, Fort Myers area, T. M. Biggar, Ft. Myers; District 5, Ft. Pierce area, Rudolph Mattson, Ft. Pierce; District 8, Alachua-Marion area, L. B. Gravelly, Newberry; District 10, Plant City area, T. D. Howell, Plant City; District 11, Manatee-Ruskin area, H. E. Boyd, Bradenton. No alternates were named for district directors.

The potentially large national supply of fruits and vegetables poses serious marketing problems for Florida growers, LaMonte Graw, secretary of the association declared. He explained that Florida growers may find themselves in a serious situation by the time the Florida season ends. He said bumper crops are expected from California and Texas.

Mr. and Mrs. Walter G. Hull returned Wednesday from a visit in Lakeland.

### NOTICE

Sealed bids will be received at the District's offices, 611 Coliseum Building, West Palm Beach, Florida until 12:30 noon, November 15, 1949, to furnish and deliver one (1) duplicating machine complying with the following minimum specifications:

Duplicator to be equipped with three cylinders, automatic suction feed, single unit construction with duplicator head. Feeder capacity 5000 sheets of 20 pound paper. Double sheet eliminator, electrically actuated, by-passing double sheets. Horizontal straight line type conveyor board with jogger guide. Double foot suction. Roller cleaning device for cleaning ink rollers. Device with squeegee blade and trough. Sheet counter, automatic reset style. Quick change spring clamp for easy fastening of duplicating masters. Auxiliary vibrator-rolling roller for ink mechanism. Oscillating squeegee roller and repeater wipers. Centrifugal clutch. Mechanical paper jogger.

The District reserves the right to reject any or all bids or to re-advertise same.
